INSTRUCTIONS
Scrap Tire Transporter Permit Application

Section 1: Application Information. Check the type of application being submitted. Complete the name, address and contact information for the permit applicant. Include the company name, the name of the permittee (if different), the mailing address and the physical address of the company. Names of contacts other than the Responsible Official signing the permit application may be given. Provide e-mail addresses if available.

Section 2: Financial Assurance. Give the type of financial assurance instrument(s) to be used by the transporter. Give the name of company providing the financial assurance instrument, and the mailing address of the provider. Include a contact name and telephone number at the provider of a person familiar with the financial instrument used by the permit applicant. An original copy of the financial assurance instrument must be included with the application. If an electronic submittal of this application is made, the applicant may either obtain a signed electronic version of the instrument or send a signed original by mail. If more than one provider is used, complete separate forms for each provider. A Limited-Use Transporter is not required to have financial assurance.

Section 3: Operating Record. Given the location where the operating record for the permittee will be maintained. A Limited-Use Transporter is not required to maintain an Operating Record, but shall maintain proof of transporting scrap tires to an acceptable location.

Section 4: Fees. An application for a transporter permit will not be processed until applicable fees are paid. See ADEM Admin. Code 335-1-6 for applicable fees.

Section 5: Decal Requests. Provide the total number of decals requested by the applicant. This will be the number of vehicles operated by the applicant to transport tire materials. The applicant will be required to maintain in the Operating Record the vehicle assigned each numbered decal. If new vehicles are added, the transporter must submit a request for additional decals. Decals are not transferable among different vehicles.

Section 6: Certification of Compliance. Give the printed name, title and telephone for the responsible corporate official requesting the transporter permit. The person signing the permit application must be a responsible corporate official as defined in 335-4-1-.01.

Section 7: Submittal. Submit the completed form and applicable fees to:

Alabama Department of Environmental Management
Solid Waste Branch
Materials Management Section
P.O. Box 301463 (mailing address) 1400 Coliseum Blvd. (Physical address)
Montgomery, AL 36130-1463 Montgomery, AL 36110-2059

An electronic version of this application may be submitted to ADEM at TireMail@adem.alabama.gov. If submitting application electronically, all attachments to this application must also be submitted in an electronic version.
